# COMBO/TOTE TILT DUMPER

Built for endurance & powered by hydraulics,  
creating a smooth uniform operation

Designed for emptying vats, totes,  
& combo boxes

Stone's pivot & push points are integrated  
into the same piece of material, creating  
no additional stress on welds

Constructed of heavy duty stainless steel  
for longevity, with a 3000-5000 pound weight limit

All stainless steel cylinders
